

PRODUCT RELEASE

THE NEW L-BRACKET FOR QPT-90 PAYLOADS

Moog QuickSet announces their new L-Bracket for QPT-90 Payloads, P/N: 6-21022

Attaches to either side of QPT-90ICM and QPT-90ICMS type Pan & Tilt Positioners. Through hole placement accommodates all of the following mount interfaces:

- Quickset 6" and 9" Diameter Visible / SWIR/ or other Camera Heads
- All compatible with and without Boresight Mount Kit P/N 6-21066.
- Other Thermal Camera Heads are easily accommodated upon request.

INCLUDES HARDWARE TO MOUNT TO DRIVE OR SLAVE SIDE OF FORMED OR UNIVERSAL™ TABLE.

Key Features:

- Lowers the center of gravity on axis
- Increased capacity of Pan & Tilt
- Ideal for long range capabilities
- Ability to add multiple cameras
